Dear Management,

Trick & Team,

Congratulations on your *Timber Processing Excellence and Innovation and Technology Awards* at the 2021 Tasmanian Timber Awards to recognise excellence and best practice in the industry.

These awards are a fitting recognition of your dedication and commitment to the forestry industry and something that you should be extremely proud of!

This is an outstanding achievement and, undoubtedly, a well-deserved acknowledgment of your organisations passion for the industry. I wish you all the very best for the future.

Yours sincerely,

Gavin Pearce.
