Dear Mr Goldschlager

Just a brief note to congratulate you and your team on being named the winner of the *Timber Processing Excellence Award* in recognition of excellence within the sector of timber processing as well as being named the winner of the *Innovation and Technology Award* in recognition of a unique innovation or application of technology at the 2021 Tasmanian Timber Awards dinner held recently. I had the pleasure of being in attendance which I enjoyed immensely.

These are wonderful achievements which no doubt reflects a great deal of hard work and dedication. The forestry industry is an incredibly important sector in Tasmania, and I thank you for your commitment.

Congratulations again and if ever I can be of assistance, please don't hesitate to make contact.

Yours sincerely

Eric Abetz
